NEW YORK, THURSDAY, FEBRUARY 9, 1893.

## "PEOPLE I REMEMBER," BY WARD MCALLISTER, IN SUNDAY'S WORLD.

# UNDER OUR FLAG.

A Temperary Protectorate Is Established in Hawaii.

It Is Done at the Request of the FIGHT FOR BAY RIDGE FERRY. Provisional Government.

An Act of Precaution Not Involving an Absolute Conveyance.

Lottery Law Repealed - Minister Stevens's Daughter Drowned.

SAN FRANCISCO, Feb. 18.-The steamer Australia arrived off The Heads at an early Stevens had established a protectorate over he Hawalian Islands. The act was executed at 9 o'clock on the morning of Feb. 1, when the Stars and Stripes were raised over Alluolant Hall, and the Minister issued the following proclamation:

the Hawallan People At the request of the Provisional Government be Hawaitan Islands I hereby, in the name of the United States of America, assume protection of the Hawalian Islands for the protection of the life and property and occupation of sublic buildings and Hawalian soil so far as may be necessary for the purposes specified, but not interfering with the administration of public affairs by the Provisional Government. This section is taken pending and subject to negotiations at Washington.

(Signed) JOHN L. STEVENS, Envoy Extraordinary and Minister Plenipotentiary

of the United States. United States Legation, Feb. 1, 1893.

United States Navy, commanding the United Commercial Advertiser of Feb. 1 said

oved and executed by C. C. Wiltee, Captain

rotestorate : provisional government, after mature deliberation for some days, reached the confusion that the step which has been taken Incressant agitation on the part of certain class who have always been the curse of this country, coupled with the efforts ope English and one or two native newspapers to discredit the Government, to block

efforts towards the establishment of order, and in general to bring it into disrespect and contempt, have been the chief agencies in spreading through the town a ing of uneasiness and disquiet. Salute Fired by the Boston. At 8.30 A. M. Capt. Wiltse arrived at the later a batallion from the Boston, under Lieut. Swinburne, marched up the street, entered the ground and drew up in front of

Government Building, and a few moments the building. A detachment from three volunteer companies, A, B and C, were drawn up in line under command of their respective captains, Seigler, Gunn and Canara. Just voice the proclamation, and punctually at 9 o'clock, amid the breathless expectancy of all present, the American flag, saluted by the os and by the cannon of the Boston, was raised above the tower of Aliuolani Hall. Not an Act of Cension.

" The raising of the flag does not, of course, mean cession to the Unita & States. The Hawalian flag still fleats in the Palace Court Id. The palace, barracks, police station, custom house, &c., remain in possession of the provisional government which will administer public business as usual. The arms inition will be withdrawn from altuoiani Hali which, until definite intelligence arrives from the United States, will be guarded by a detachment from the Boston. The event of this morning is halled with joy throughout the community. It will bring

about peace and prosperity and will please all except those who do not want Hawaii to enjoy these or any other blessings. It is no the act of aggression, but of friendliness, done at the instance of the Hawalin Government. ay this friendliness result in union which shall endure forever. "

Acre of the New Government.

The provisional government at Honoluly en busy since its inception. One of the earliest acts was the repeal of the lottery franchise act; another provided the form of oath fer all residents desiring to affrm allegiance to the provisional government, which was taken by hundreds the first day it was available. Another act prohibits the importation of fire arms or explosives of any kind except by the Government.

her than the flag-raising on the 1st, Honolulu seems to have been without sensations. occurrence since the Provisional Government was established. Some attempt was made to ere a suspension of martial law, but the Council only complied to the extent of length. ening the dark hours during which it was grand larceny by Justice Powers at the Ewen not permissible to be abroad without a pass.
